I/We understand that an order made for a stock certificate, otherwise known as an 'Uplifment' request would entail the pull out of a 'Street' named stock position to be converted and issued 'In Name' of the account holder. The stock certificates shall be available for pick-up at the offices of DA Market Securities, Inc. (DMSI) at least thirty (30) days from the date of receipt of this request.

I further understand that an upliftment request will allow DMSI to earmark 'out' a stock position from my/our online portfolio to ensure that such a position is not sold or reduced while waiting for the new certificate.

Thank you.
